

## What are Barn Quilts?

Each barn “quilt” is actually an 8’ X 8’ quilt square painted on plywood and mounted on the side of a barn or other farm structure. A Barn Quilt Committee works with people interested in having a barn quilt to choose a quilt design, decide on a location, and assist in creating and installing the barn quilt.

## Mission Statement

The mission of Barn Quilts of Columbia County is to celebrate the agricultural heritage of our county through the warmth and beauty of quilting art.

## Objectives

- To preserve the agricultural character of Columbia County
- To celebrate the county’s history and heritage
- To encourage artistic expression
- To bring generations together to learn and share
- To encourage economic development by promoting agri-tourism and other local businesses
